I have the honour to state that the sites opposite the Rural Welfare Centre building at Closepet were acquired for the improvement of sanitation at the place, as per G O No L 7937-9 ML 10-39-21 dated 18-3-1940 A grant of Rs 1000/- was also sanctioned in the above Government Order towards the cost of acquisition, out of the Town Improvement grants for the year 1940-41 I may invite reference, in this connection, to your letter No L 2695-ML 97-38-4 dated 30-9-1938 (Flag M), wherein it is stated that the sites above referred to, may be acquired on behalf of Government and kept as Government lands The acquisition proceedings have now been completed and the lands have not yet been handed over to the -- possession of the Municipality

2 The Municipal Council desire to utilise this vacant land to the best advantage of the Town They propose to reserve a portion for the construction of the Town Hall and dispose of the rest for the construction of a Club building with a Tennis Court attached to it The resolution of the Municipal Council dated 5-10-41 and the sketch prepared by the Assistant Sanitary Inspector, showing the position of the buildings are enclosed for favour of reference

3 I have inspected the spot There is room enough for a Town Hall and also for a Club and Tennis Court The construction of these buildings will add to the amenities of the Town
